Winter's never been so hot

"I like to be surrounded by splendid things." True to **Freddy Mercury's** motto, we're here to equip you with all sorts of cool stuff for the colder months of the year.

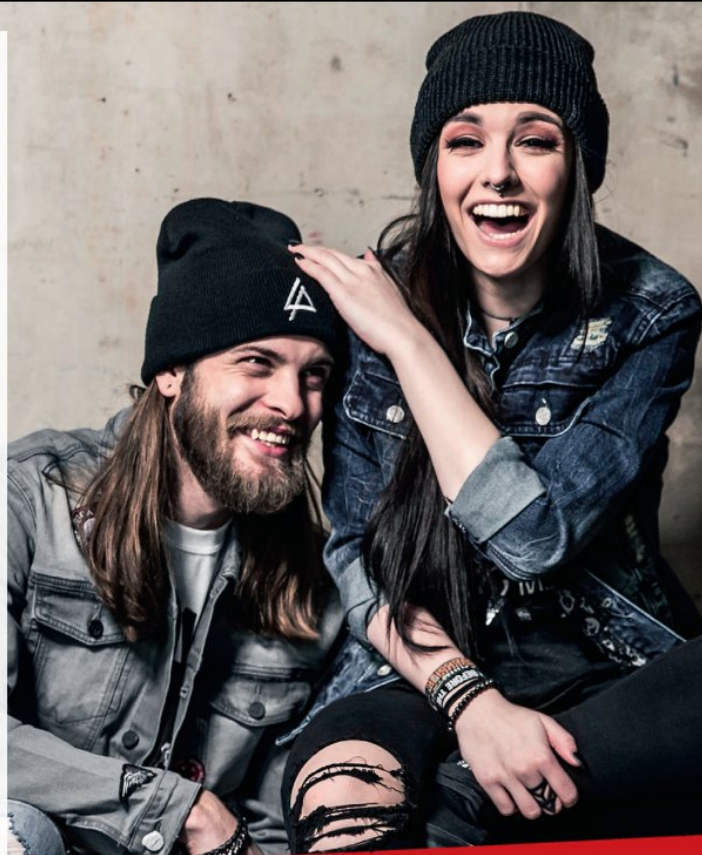

It's getting colder outside, so stay warm in the cinema this season. With **Venom**, Marvel is adding a whole new dimension of evil to its universe. We're also looking forward to the next instalment in the **Fantastic Beasts** franchise, in the form of **The Crimes of Grindelwald**. Series junkies will finally have something to get their teeth into once again with the beginning of the ninth series of **The Walking Dead** - the wait is finally over! Of course we don't just have all the best merch from these releases, but also from the worlds of **Star Wars**, **Harry Potter**, **Game of Thrones**, **Rick and Morty**, **Supernatural**, **DC Comics** and lots more. Many pieces are imported directly from the US just for you.

We also have fuel for your console and your PC! **Assassin's Creed Odyssey**, **Call Of Duty Black Ops 4** and **Fallout 76** promise awesome action even while it rains and snows outside. And with **Pokémon - Let's Go, Pikachu/Eevee**, the fun won't stop when you're on the go!

Musically, the year is coming to an end in style. **Disturbed** present the next step in their 'Evolution' after 'Immortalized', whilst **Behemoth** are more ambitious than ever with 'I loved you at your darkest'. On top of this, **Amon Amarth** are bringing their live show to your living room, **Queen** tell their story on the big screen and **Bring Me The Horizon** get us in the mood for their upcoming album 'Amo', coming in January 2019. Of course, we've got all the **right merch** from these bands and many more waiting for you, and loads of it is exclusive to EMP! We've even got you covered for Christmas, with our ugly Christmas sweaters to show your nearest and dearest where your loyalties lie.

If you do make it out of your front door, then make sure you've got the right outfit! We have all sorts of **streetwear**, **rockwear**, **basics** and more to protect you from the cold, and to get you **through the winter in style!** Just put together your **new favourite outfit** from the latest pieces from our own brands from **Black Premium** to **Full Volume!**

Did you know...?

SLAYER

... The song 'Angel of Death' was heard on the big screen for the first time in the film 'Gremlins 2 - The New Batch'. This was during the scene when the gremlin Mohawk turns into a spider.

... The debut 'Show No Mercy' was recorded at night, so that Dave Lombardo could graduate from high school.

... Tom Araya worked as a respiratory therapist before Slayer was formed.

We will carry out such reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement.
